

Week 2

READ: JOHN 4:6-30

1. Let's get vulnerable this week. Who in your life would you consider an "outcast?" How come?
2. Why are we so afraid to love those different than us? Explain.
3. Do you find yourself trying to "change" people to conform more to your image, or are you able to enter into relationship with the sole intention of getting to "know" another person more? Explain.
4. Have you ever considered "practicing" justice? Maybe by joining a Be the Bridge Group? Serving with Circle City Relief? Another way? Explain.
5. When you consider all of the influences in your life, are you only being shaped and formed by people who look, talk, act, and think like you? Or are you opening yourself up to hearing from Godly people with diverse perspectives? Explain.
