

BIBLE BASICS

Learning foundational truths about God's word.

Day 1

Read James 1:25

Have you used a sponge in the bathtub or kitchen? A sponge absorbs water in a matter of seconds. Our brains are like a sponge, but they don't absorb water. They absorb all types of information.

The information James wants us to absorb comes from the truths in the Bible. In fact, when we read the Word of God and do what it says, we will be blessed in our doing. So, when we are obedient and put our faith into action, we will gain freedom.

How does obeying lead to freedom? On a piece of paper, write what freedom means to you. Place it on your fridge or kitchen counter where you will see it every day and be reminded of the freedom that comes from reading God's Word and doing what it says.

Day 2

Read Acts 17:11

There is a phrase that gets thrown out at times: "check the facts". This means that when you receive information, it's suggested that you look further to verify if the information is true or not. The Bereean Jews in Acts 17:11 were "checking the facts" that Paul had share with them.

One awesome thing about the bible is that it is full of truth. When we read scripture, we can be sure that what we are reading is true and there is no need to verify what we have read.

On a piece of paper, write the word TRUTH in larger letters. Set a timer for 2 minutes and make a list of the people who you trust to share truth with you.

Day 3

Read 2 Timothy 3:16

Would you agree that a toothbrush is useful in order to keep your teeth clean? What about a pencil? Is a pencil useful when doing math homework?

In today's reading, the bible is described as being useful for multiple things. Write down the things described in 2 Timothy 3:16.

Day 4

Read Luke 11:28

There are two actions steps that we can follow through on and receive blessings. Jesus said so in Luke 11:28. In the space below, write the two action steps that Jesus gave us.

Why do you think it's important to "hear and obey"?

Now it's time for you to take action. Every day you receive wise words from adults in your life and you are expected to "hear and obey". Like your parents, teachers, and coaches to name a few. Think about today's scripture each time you receive wise instruction. Don't hesitate to obey!
