4 Read Luke 2:8-20 together. Where do you see joy in this passage?

5 What areas of life are you struggling to find joy right now? Is there an area of life in which joy feels impossible? If so, share a little more about why it feels this way?

6 How is it possible to maintain joy during the most difficult times in our lives?

7 Close by asking for prayer requests and praying together that God would help each one of us to experience the true, lasting joy that comes with the Christmas story.
