BIBLE BASICS

Learning foundational truths about God's word.

Day 1

Read Galations 5:22-23

In today's reading we learned that he Holy Spirit produces love, joy, peace, patience, kindness, goodness, faithfulness, and gentleness. These are known as the "Fruits of the Spirit".

Use the word seach below to find all the fruits of the spirit described in Galations chapter 5.

Read Jonah 2:2

Can you think of a time when you really needed someone to help you? Maybe you were in some sort of situation could lead to a negative outcome. Jonah was in deep distress and cried out to God for help. He knew that God heard him because God is always available to hear our prayers.

Gather with one or more persons in your family and pray together for someone who need's God's help or some situation that requires God's intervention.

Day 3

Read 1 Thessalonians 5:18

In today's reading we learned that God wants us to thank him because it shows that we believe in Jesus. This is a good way to show others that we believe in Jesus.

Giving thanks no matter what happens is not always easy. Make a list of times when you find it hard to give thanks. EXAMPLE: When you scrape your knee, are you thankful that you were hurt?

Day 4

Read Jonah 2:8-9

I can only imagine that Jonah would have written a thank you note to God if he had one handy! Thankfully, the words Jonah used to give God thanks and praise made it into the Bible as a great example for us to follow when we face hard situations.

Thank You?

DID YOU KNOW?

Did you know that butterflies need warmth for their muscles and wings to work properly? Butterflies soak up the sunshine to get the energy they need so they can fly again! We can soak up God's Word and receive energy, and encouragement, and learn how to be thankful no matter what happens just like Jonah was thankful.
