QUESTIONS

Closing Small Group Questions (Also in Playlist)

The (THP) take home point is “We need to become disciple-makers”. Do you know what that means?

What are the two parts about being a disciple? (being baptized, obeying what Jesus has commanded us to do).

We talked about baptism and how it is an outward sign of inward change (showing others that you asked Jesus to be in your heart). Why is it important to show others that you choose Jesus?

Why is it important to obey God? Is it always easy to obey God?

How can we be a disciple maker? How can we share our faith with others?

Do you have a prayer request?

FINAL THOUGHTS

After your group is finished with your discussion questions, close in prayer!

Encourage students to start bringing their Bibles each week for service

Encourage those students in your group who made first-time decisions or who made re-commitments to follow Jesus today! Tell them that this group is a support system for them and they don't have to do this life alone. If there is a student who makes a first-time commitment to Christ, have them text NVSNEXT to 85379 or fill out a response card so you can capture their information and our staff can follow up with them. Once your group discussion is over, close your group in prayer!
